Letter No A5 C2052/43 dated 5.12.43 from the Dc Kolar Dist requesting sanction reconsideration of orders passed by Govt rejecting the proposal to enhance duty allowance to the Auditor Mr B K Doraiswamy Iyengar working in the Kolar Dist Bd office & TC offices.

Mr B K Doraiswamy Iyengar is an auditor of Kolar Dist Bd & TC offices since 2.1.43. He is getting a pay of Rs 100/- & a duty allowance of Rs 10/- P.M.

2) In April last, Pres. Dt Bd Kolar requested Govt sanction to enhance the duty allowance of the above auditor from Rs 10/- to Rs 20/- P.M. Govt were not in favour of the proposal. The Pres. subsequently requested for reconsideration of the orders passed. The proposal was again rejected by Govt. Now the Dc Kolar Dist recommends sanction to the resolutions of the Dist Bd & TC to enhance the duty allowance as above. As the increase of duty allowance appears to him reasonable

because the auditor is looking after the auditing work of both the Dist Bd & the Mcl single handed with efficiency; the accountant of Bangalore Dist Bd gets a duty allowance of Rs20/- even though there is less work, the auditor deputed to food Dept gets 20% of the pay, the duty allowance recommended is allowable under M S R & the cost of living in Kolar has gone up very high on account of the proximity of the Kolar Aerodrome ele-

(w) The duty allowance, under question, was fixed by Govt in Go L 4149-5 dated 16 10 42 after due consideration & with the concurrence of the financial Sect. The scheme is still in an experimental stage. The enhancement of duty allowance as requested by from Rs 10/- to Rs 20/- may with retrospective effect ie from 21 43 (the date of the auditor's joining duty)

A report was due to the Govt at the end of 1943 as to how the arrangement has worked. It came into effect from 2.1.43. It will be two years on 2/1/45. The Comptroller will therefore be requested to send up a report with a subject as to how the system has worked during the period whether it may be continued further to the next period. After the receipt of this report, the question of enhancing the above to the maximum which is recommended for the third time may be considered.

Letter No 357 CLAD dated 27.4.45 from the Comptroller —

9) The Comptr states that the pre-audit scheme introduced in the Kolar Gold Mines by entrusting the work to the Auditor attached to the Kolar Dt Bd office is working satisfactorily. —

He accordingly recommends that:

1) the pre-audit system may be continued for a further period of 5 years, if not made a permanent measure.

2) as the volume of work to be covered at both the places (i.e. Offices) is heavy & the two offices are located at a distance it is too much for one auditor to cope up with the work & with the result that the work has fallen into arrears, the question of posting an assistant to help the auditor may be favourably considered

In so far as Civil Audit is concerned there is no objection to the proposal dated the 16th October 1944 to continue the pre-audit of the accounts of the Kolar Gold Mines by the Auditor attached to the Kolar Dt Bd office.

OFFICE OF THE DEPUTY COMMISSIONER
KOLAR DISTRICT

Dated Kolar, the 5th December *1944.*

To

The Secretary to Government of Mysore,
Law Department, Bangalore.

Sir,

Enhancement of duty allowance to the accountant of the audit office working in the Kolar District Board and the Kolar Municipal Council

---

Adverting to your letter No.L.12955/L.B. 8-43-22 dated the 30th June 1944 addressed to the President, District Board intimating that it is not possible to grant the request re: the increase of the duty allowance of the above said accountant from Rs.10/- to Rs.20/- per month, I have the honour to forward herewith report No.238/44-5 dated 26/11/44 from the President of the Municipality together with its enclosure and to state as follows:

2. The preaudit system was introduced into the District Board and the Kolar Town Municipality as an experimental measure in January 19-- and Mr Dorasamiengar an accountant of the Comptroller's office was posted to look after the preaudit work of both these bodies with a duty allowance of Rs.10/- per month, the entire cost being borne by the concerned local bodies in a fixed proportion As the work of the official was found useful from the administrative point of view, both the local bodies recommended the enhancement of the duty allowance to him to Rs.20/- per month The proposals having been turned down by Government, it is now urged that as the allowance given to the accountants working in the Food Department is 20% of their pay, and that the allowance paid to the accountant of the Bangalore District Board at Rs.10/- is fixed in consideration of the work connected with one local body only, the usual Duty allowance of 20% allowable under the Mysore Service Regulations may kindly be allowed to this accountant Mr. Doraswamiengar, as he has to attend to the work of both the District Board and the Municipality Considering the nature and volume of work involved on him, the President reports that the allowance may be enhanced to Rs.20/- per month and that it may be given effect to from the date of the appointment.

3 As the cost of living in Kol r has gone up very high on account of the proximity of the Kolar Aerodrome etc , the increased allowance appears reasonable. In these circumstances I request you to kindly

kindly move Government to reconsider their order and sanction the enhanced rate of duty allowance to the accountant in question with retrospective effect.

4. I may add that copies of resolutions of these local bodies agreeing to bear the extra cost in the fixed ratio have already been sent with the original proposal.

A copy of this letter has also been sent to the Comptroller with a request to support my proposals.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District.

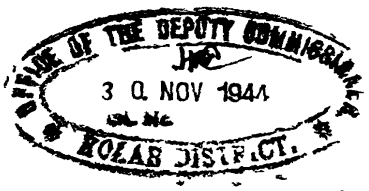
PS...

No. 288/44-45

Office of the President,
Town Municipal Council, Kolar. dated
26 th Nov 1944.

To,

The Deputy Commissioner,
Kolar District,
Kolar.



Sir,

With reference to copy of letter No L 12955/ L B. 8-43-22 dated 30 th June 1944 from the Law Secretary to Government received from the President, District Board, Kolar, in No Gen R 27/43-44 dated 16 7 44 (copy enclosed for kind reference) stating that the proposal of the District Board to enhance the duty allowance from Rs 10/ to Rs 20/ cannot be sanctioned at present, I have the honour to state that the Board passed the above resolution pursuant to a resolution passed in the first instance by the Municipal Council at their meeting held on 22-12-1943

In this connection, I write to state that it is ascertained that the auditors and accountants deputed from the Comptroller's office to the food Supply Department are uniformly given an addition of 20 percent to their pay as per the provisions of the M.S.R, in addition to ordinary travelling allowance,

The Auditor of the Bangalore District Board appears to have been given an allowance of Rs 10/ though he is in charge of the pre-audit of only one Office, and the work thereat seems to be comparatively less than that of the Kolar District Board. Though the work in the Kolar Town Municipality and the Board for one auditor is, in fact, more exacting and responsible, he is keeping the work up to date apart from effecting many improvements, giving suggestions for immediate rectification of defects Further, he has to go to both the offices situated far from each other, daily ~~Equity therefore requires that~~ His case may ~~should~~ Therefore receive more generous consideration.

In these circumstances, I request you to be so good as to move the Government to kindly sanction the enhancement of allowance of Rs 20/ P.M., from the date of his appointment as per the resolution of the Municipal Council and the District Board, since both the institutions are agreeable to bear their respective quota of cost.

I have the honour to be,

Sir,

Your most obedient Servant,

President,
Town Municipal Council, Kolar.

22 dated 30 th June 1944 from the
rnment Bangalore, to the President, District

In reference to your letter No. C 3p R 27/43-44 dated 31st May 1944 requesting reconsideration of the orders passed in regard to the proposal of the District Board to enhance the allowance granted to the Accountant of the District Board Office from Rs 10/ to Rs 20/- per mensem, I am directed to state that it is not possible to grant the request at present.

Sir,

With reference to your letter No L 6312/41 dated 24-12-1944 regarding the preaudit system introduced as an experimental measure in the Kolar Town Municipality from January 1943 as per G O No L 4149-51/M1 166-42-2 dated 16th20th October 1942, the work being entrusted temporarily to the Auditor of this office attached to the Kolar District Board, I have the honor to state that it is reported to be working satisfactorily The existing arrangement of combining the audit functions of both the institutions in one hand has however been a serious handicap The post audit for the period previous to January 1943 could not be attended to (ie I half year of 1942-43) and is in arrears The question of giving that auditor an assistant for this purpose may kindly be considered favourably The volume of work to be covered at both the places is heavy, and the 2 offices are located at a distance, and it is too much for one auditor to cope with If another hand is sanctioned and posted to that group, the system of preaudit would be more efficient The existing arrangement of preaudit may be continued with advantage in the Kolar Municipality for a further period of 5 years, if not made a permanent measure
